¹Each state and tribe that has a Surface Mining Control and Reclamation Act P.L. 95-87, as amended, Title V Regulatory Program will forecast in advance (three month estimate) its current annual program budget prior to the beginning of each Fiscal Year for which a grant will be requested. OSMRE then conducts a detailed analysis of the state and tribe estimates and provides a regional recommendation.

²The FY 2021 Regulatory Grant Distribution is authorized by the Consolidated Appropriations Act of 2021, Public Law 116-260.
