Highwall Elimination on Interim Program Sites

Approval:

Title:

Acting Director

Directive INE-39, Transmittal Number 543, dated 06/07/89, is hereby cancelled. This directive was established in response to a settlement agreement between the Commonwealth of Kentucky and the National Wildlife Federation. While OSM was not a party to the settlement agreement, OSM was required to work together with Kentucky to resolve the issues. This effort provided for a one-time plan of financial and technical assistance to Kentucky over a period of four fiscal years. Fiscal Year 1991 marked the fourth and final year of the plan. The settlement agreement was terminated in Fiscal Year 1991 and therefore no new claims can be made under it.
