#### **4-230-00 What does this chapter do?**

This chapter explains the reports required from you, a state or tribe that received an Abandoned Mine Land (AML) grant from us, the Office of Surface Mining Reclamation and Enforcement (OSMRE). It describes, when your reports are due, how to submit them, and what information you must report. This information applies to you if your state or tribal reclamation program has not certified that it has completed coal reclamation. If your program has certified, see chapter [4-300](#) for information on your reporting requirements.

#### **4-230-10 Where do these requirements come from?**

The requirements for submission of recipient performance and financial reports are established in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, at [2 CFR 200, Subpart D](#).

#### **4-230-20 When must you submit reports?**

You must submit programmatic and financial reports to us annually. These reports are due 90 days after the end of each 12-month reporting period.

- A. Your first annual report will normally be a final report for the subaccounts within your grant that last one year, such as administrative costs. The reporting period starts on the effective date of the grant and ends on the last day of the performance period of the closing subaccounts.
- B. Your second annual report will normally be an interim report. You may choose whether to end the report period on the same day of the year as your first report or on the next calendar quarter end date: March 31, June 30, September 30, or December 31. For example, if your grant begins on March 1, you could end the second report period on February 28 or extend it to March 31.
- C. If your grant performance period is extended beyond three years, you must complete an annual interim report for each 12-month period.
- D. The final report for the grant has a report period ending on the last day of the performance period. You will find further guidance on AML close out reports in chapter [4-240](#).

## PERFORMANCE AND FINANCIAL REPORTING FOR AN AML GRANT

### 4-230-50 Are there any alternatives to these reporting requirements?

Yes. After receiving our approval, you may submit grant performance and financial report information in an alternative format or timeframe. This gives you flexibility in providing grant performance data in a manner that is more efficient and effective while still meeting our grant performance data needs. We will be as flexible as possible in approving alternative grant performance reporting schedules or formats. Please contact our awarding office to work out an alternative reporting plan that is acceptable to both you and us. However, if we have not approved an alternative reporting plan, you must comply with the performance and financial reporting requirements outlined above.
