

FEDERAL REGISTER: 45 FR 37818 (June 5, 1980)

DEPARTMENT OF THE INTERIOR

AGENCY: Office of Surface Mining Reclamation and Enforcement (OSM)

30 CFR Part 816

Surface Coal Mining and Reclamation Operations; Permanent Regulatory Program; Correction

ACTION: Correction.

SUMMARY: This document corrects Section 816.97 of the Permanent Regulatory Program published in the Federal Register, March 13, 1979, Part II, Book 3 of 3.

EFFECTIVE DATE: June 5, 1980.

ADDRESS: Director, Office of Surface Mining Reclamation and Enforcement, Department of the Interior, Washington, D.C. 20240.

FOR FURTHER INFORMATION CONTACT: Dr. David R. Maneval, (202) 343-4264.

SUPPLEMENTARY INFORMATION:

This document corrects an error that appeared in the March 13, 1979, Permanent Regulatory Program (Title 30, Code of Federal Regulations, 1979). The page number corresponds to the March 13, 1979, Federal Register document. The following instructions will aid the user in locating the referenced correction: Page -- indicates the page number that appears in the upper margin of the March 13, 1979, Federal Register

Section -- indicates the Section and paragraph where the error occurred

Lines -- indicates the number of lines down from the referenced Section

The following correction is made:

On page 15411, Section 816.97(d)(2), line 4, "underpasses. No new barrier shall be" is corrected to read "underpasses or overpasses and construct the necessary passages. No new barrier shall be".

Dated: May 30, 1980.

Paul L. Reeves, Deputy Director, Office of Surface Mining Reclamation and Enforcement .
