Approval: *James B. Harris* Title: Director, Office of Surface Mining

1. Purpose. This directive establishes the Office of Surface Mining's (OSM) policy on informal public hearings under 30 CFR 843.15, August 16, 1982.

2. Definitions. None.

3. Policy/Procedures.

a. Background. 30 CFR 843.15 provides that a notice of violation or cessation order which requires cessation of mining...shall expire within 30 days after it is served unless an informal public hearing has been held within that time.

30 CFR 843.15(b) provides that written notice be delivered or sent by certified mail to the person to whom the notice of violation or cessation order was issued no later than five days after service of the notice of violation or the cessation order.

b. Policy.

(1) OSM will make diligent efforts to conduct informal hearings under 30 CFR 843.15.

(2) The attachment, "Notice of Right to Informal Public Hearing," and the formatted response will be used to satisfy the written notice requirement of 30 CFR 843.15(b)(1)(i).

c. Procedures.

(1) When a cessation order or notice of violation requiring cessation of mining is served, the attached form letter "Notice of Right to Informal Public Hearing" shall be included.

(2) In the event that the "Notice of Right to Informal Public Hearing" is not served personally or by certified mail, with the cessation order or notice of violation, it must be served personally or sent by certified mail within five days.

(3) If a request for an informal hearing is received on or after the 21st day after service of the notice of violation or cessation order, the permittee will be deemed to have consented to an extension of time for holding the hearing. The extension of time shall be equal to the number of days elapsed after the 21st day.

3.c.(3)

(4) When citing violations, inspectors should separate violations which require an informal minesite hearing from those which do not, and issue separate notices of violation for each type.

(5) Inspectors should record service of the "Notice of Right to Informal Public Hearing" in the inspection report. Refusal of the permittee to acknowledge receipt of the form does not invalidate its service.
