Discussion:

- Since we can't put on any workshops or forums at this time, we talked about having a speaker/webinar on one of the monthly calls. Topics of interest include drones and bathymetric survey.
- Team Charter, emailed old charter to team, will review and update
- Federal budget issues and resulting impacts to resources remain a concern and focus
- Discussed changing the meeting time to the morning, will email the team
- States discussed the change in administration and how it's affected their relationships with other agencies - LA, IL, AL, IN and KS – stated no changes

The next scheduled conference call will be July 19, 2017, 1:30 pm CST.
