MEETING NOTES

Participants:

Angie Sherman, OSMRE MCR

Mark Stacy, Indiana Dept. of Natural Resources

Marvin Ellis, Indiana Dept. of Natural Resources

Marlene Spence, Kansas Surface Mining Section Dept. of Health & Environment

Acacia Croy, Oklahoma AML

Discussion:

- Since we can't put on any workshops or forums at this time, arranging for guest speaker, Natalie Carter or Lukus Monette to talk about drones – hoping for September.
- Meeting time changed to 10:00 AM CST
- NAAML P Conference – Sept. 24-27, 2017, Lexington, KY, more information can be found on the website www.naamlp.net
- Federal budget issues and resulting impacts to resources remain a concern and focus
- Indiana Society of Mining & Reclamation (ISMR) Tech Transfer Seminar will be held Dec. 4 & 5, 2017 - Evansville, IN. – More information to follow.
- Indiana Prime Farmlands Team field day is July 26, 2017 – Pike County 4-H Fairgrounds, Petersburg, IN.
- States brought up the topic of formal long-term land owner agreements for monitoring passive treatment systems. Would like guidance from OSMRE on if they should do this

and if so, how to develop agreements. Will find out more information and discuss on next call.

The next scheduled conference call will be August 23, 2017, 10:00 AM CST.
