

Office of Surface Mining Reclamation and Enforcement Extends Public Comment Period on Four Corners Power Plant and Navajo Mine Energy Project

May 16, 2014

(Washington, D.C.) – The [Office of Surface Mining Reclamation and Enforcement](#) (OSMRE) is extending the public comment period on the draft Environmental Impact Statement (DEIS) on the Four Corners Power Plant (FCPP) and Navajo Mine Energy Project. The 31-day extension provides the public until June 27, 2014, to comment on the draft document.

To download a copy of the DEIS, please visit the OSMRE's Western Region FCPP and Navajo Mine Energy Project Document Library by clicking on this [link](#).

OSMRE held a total of nine open house public meetings between April 30 and May 9, 2014, to provide information and allow the public to comment on the DEIS. Navajo and Hopi interpreters were present at the open house public meetings on the Navajo and Hopi Reservations.

Interested parties are asked to send written comments via U.S. mail, hand delivery, courier, or email no later than June 27, 2014:
