Footnotes:

The Infrastructure Investment and Jobs Act AML Grant Distribution presents only the Fiscal Year 2025 grant amount that each eligible State and Tribe will receive. Eligibility for these grant funds is limited to States and Tribes with an approved AML Program. These grant funds are distributed through a congressionally mandated formula under Public Law 117-58. Eligible States and Tribes will receive annual IIJA AML grant distributions for the remaining 11 years, subject to any required adjustments.

Adjustments were made, as required by IIJA, to ensure that each eligible State and Tribe receive at least \$20M over the course of the 15 year distribution, unless the amount needed for reclamation projects on the State or Tribal lands is less than \$20M.

*** Consistent with *McGirt v. Oklahoma*, 591 U.S. 894 (2020), and related cases, neither the State of Oklahoma nor any of its agencies are currently eligible for IIJA AML grants. *Oklahoma v. U.S. Dept. of Interior*, 640 F. Supp. 3d 1110 (W.D. Okla. 2022), *appeal dismissed per stipulation*, No. 23-6008 (10th Cir. May 18, 2023), and *Oklahoma v. U.S. Dept. of Interior*, 640 F. Supp. 3d 1130 (W.D. Okla. 2022), *appeal dismissed per stipulation*, No. 12-6006 (10th Cir. May 18, 2023). In the event that one or more entities become eligible for IIJA grants this fiscal year, OSMRE is reserving IIJA funds for AML reclamation on Indian lands in Oklahoma.
