

Solinst Tag Line

This tag line has a 500-foot polyethylene coated, permanently marked stainless steel cable clipped to a $\frac{3}{4}$ -inch stainless steel weigh. The tag line is wound on a 10-inch diameter plastic reel with a brake. Every foot is labeled, and additional cable markings are at every $\frac{1}{4}$ foot.

Use:

The device takes vertical measurements in wells, shafts, and ponds.

Maintenance:

No routine maintenance required.

Check-out & contact information:

The tag line is available from the Technical Services Branch of the Mid-Continent Region, Contact Brian Hicks at 618-463-6463 ext. 5121 or bhicks@osmre.gov.

Equipment may be borrowed for a specific period. Equipment on loan will be temporarily transferred using a Department of Interior Property Pass, Standard Form DI-1934, signed by the appropriate responsible individuals. OSMRE will generally pay for delivery to the requestor's office. The cost of return delivery will be borne by the requesting office. Some equipment is oversized or may need special handling.
